

## **HFA Party Room Policies**

**We are so excited you booked a HFA party! Thank you for your continued support of our family run business. Please take a moment to review our party policies. Remember to send your signed copy back to the studio before the day of your party.**

### **COVID Policy**

For the safety of everyone and in compliance with state, local, and CDC guidelines masks must be worn inside the studio during the duration of your visit. We are following best practices, as defined by the CDC, for cleaning and disinfecting of supplies and materials for your safety. Due to social distancing, with the exception of family members, additional guests will be asked to leave to keep the number of people at a responsible, safe number. Masks are optional for outside patio use. There is currently no food inside the main studio space, but we are BYOB. Food and drink on the patio is at the discretion of the participants. When re-entering the studio from the patio masks are required. Hot Fired Arts is not liable for any illness including but not limited to flu, Covid-19, etc while customers are visiting the studio.

### **Duration**

Please inform your guests of the **start** and **end** time of your party. Parties will begin promptly at the start time and end at the designated end time. Extra time is automatically billed when parties run 15 minutes over the scheduled time. In order to avoid being billed for extra time, the area must be vacated no later than 15 minutes after your scheduled end-time. Extra time is billed to the host of the party in 30 minute increments at \$40 per 30 minutes. Please book additional time in advance when possible. You might not have the option of additional time the day of your party. HFA runs multiple parties throughout the day and must make sure one party's time does not run into another party. Thank you for your understanding.

You are welcome to bring any food, beverages, or light decorations 15-20 minutes before the beginning of your party. There is a standard refrigerator/freezer available for your use. Please be sure to bring utensils, plates, cups, and serving ware, as HFA DOES NOT provide these.

### **Booking Fee**

A \$30 non-refundable booking fee is due at the time of reservation. Your party does not get added to our party calendar until the booking fee is paid. The Booking Fee goes towards your party prep, set up, and cleanup and is not deducted from your final bill.

### **Party Minimums**

They Adult Mixed Party (AKA Adult Free Style) has party spending minimums of \$275 for up to 10 guests, \$350 for groups 11 or more. If party spending minimums are not met by the group, the balance due is the responsibility of the host. \*\*\*Should your party size drastically decrease in guests from the time of our confirmation and the event, HFA reserves the right to charge the party host for ½ the price of the original party size.\*\*\*\*

### **Tipping**

Our instructors work hard to create an amazing party experience for you and your guests. Gratuities are greatly appreciated by these hard working staff members.

## Seating Policies

The party area will be set up to seat the participating attendees in your party. If non-project creating guests (parents of the kids attending, etc.) wish to stay in the building for the duration of the party, they are welcome to sit at vacant tables in the studio area, but must follow the seating policy in the studio area. This policy states that non-project creating guests may sit in the studio area as long as there are no customers waiting to create that are in need of a seat. In the event that the studio is extraordinarily busy, non-project creators will be asked to surrender tables. *Note that Hot Fired Arts strongly encourages Drop Off Parties, ie: guests are dropped off by parents and do not stay for the party.*

Due to space constraints and fire code, we ask that the parents of guests attending exit the party room in order to help HFA employees run the party smoothly and safely! Encourage your invitee's parents to enjoy being kid free for a little while! Grab a cup of coffee and take a load off. Let us handle the kids for you. Thanks! Max of 3 parents in the party room during the art making portion of the party. There will be a \$5 fee for each extra adult in party room.

Due to local childcare ordinances at least one parent of the kid whose party it is, must remain in the party room the entire length of the party.

Please feel free to put our phone number and/or website information on your party invitations.
